Print out two copies of cards. Color the pictures, then cut each card out along the lines. Mix all the cards and place them face down on a table. The object of the game is to get two cards that match. Take turns turning two cards face up. If they match, you can remove the set and take another turn. If they do not match, turn both cards over, and it is the next player's turn. The player with the most matches wins.
